

Internship – Full-Time Summer Intern – St. Paul Saints Baseball Club

Description:

The full-time summer internship will provide you with a tremendous understanding of all areas of a minor-league baseball operation as you assist with the execution of the Saints 26th season. Candidates must be willing to put in long hours for the entire season extending from May-September. Applicants must not have another internship or job and priority is given to graduating seniors. Payment is available if certain requirements are met.

The summer interns receive experience in the areas listed below. While there is no guarantee that an internship will be available within your specific area of interest, you will have the opportunity to learn about all of these areas of the operation:

- Corporate Sales
- Group Sales
- Box Office Management
- Promotions/Marketing
- Radio Broadcasting / Media Relations
- Video Editing / Graphic Design
- Special Events
- Fan Services / Community Relations

Please note: The St. Paul Saints do not offer any internships in player development, scouting, player operations, athletic training or anything else related to the baseball activities of the organization. If you are interested in the Radio Broadcasting/Media Relations internship, please email your resume and cover letter to Sean Aronson at saronson@saintsbasedball.com

Qualifications:

- College student with a minimum of two years of undergraduate courses completed
- Excellent written and verbal communication skills
- Strong time management and organizational skills
- Ability to quickly build rapport with customers and assess customer needs
- Willingness to learn in a fast paced environment
- Ability to work flexible hours, including evenings, weekends, and holidays

Application:

Applications will be accepted beginning November 6, 2017. Applicants may not hear from the organization for several weeks. If you would like to apply, please email your resume and cover letter to internship@saintsbasedball.com. Please use SUMMER INTERNSHIP in the subject line and indicate your preferred area of interest within your cover letter.
